A Message From Janet

Let's hope that we see little green things popping up from the ground by the end of March! Check out the great day planned for April 19th. The Vintage Style Show and coffee at Terrace Hill will be special. Topping off the day with the gorgeous colors and scents of the gardens at the Botanical Center will definitely have us thinking SPRING! We still need to fill the bus for the timeless presentation of South Pacific in May. The trip to the Smoky Mountains has been popular, please call as soon as possible if you are planning to join this trip. A few details for our fall trips are included in this letter. More details will be added as the dates get closer. Can you believe that Easter will be over before the next newsletter arrives? Have a wonderful celebration with your family and friends.

Set on a tropical island during World War II, the musical tells the sweeping romantic story of two couples and how their happiness is threatened by the realities of war and by their own prejudices. The beloved score's songs include "Some Enchanted Evening," "I'm Gonna Wash That Man Right Outa My Hair," "This Nearly Was Mine" and "There is Nothin' Like a Dame." USA Today cheers, "Gorgeous! SOUTH PACIFIC doesn't just float; it soars!"

Find a vintage hat from the era of I Love Lucy and wear it to Tea at Terrace Hill or come without. This twist on the Teas will recall the get-togethers of post World War II. Coffee and desserts will be served up with hospitality and 1950s trivia. A mini-style show of vintage clothing will recall another era at Terrace Hill. Even if it was before your time, it is an event to be experienced at Terrace Hill. This is a twist on the traditional monthly Tea at Terrace Hill. The menu will feature favorite coffee cakes and desserts of the 50's.

Our next stop is the Des Moines Botanical Center, where we will feast on the magnificent display of plants "under the dome." Take time to stroll through the gardens and enjoy a snack (on your own) at the Riverwalk café. Our Botanical Center adventure will conclude with a private session on Container Gardening. Learn the key steps to successfully grow your own container garden. This class is designed for everyone, not just the green thumbs! Topics discussed include types of containers, varieties of plants, and appropriate soil choices. Whether you have a small patio, or a big yard, there is always a place for a great planter. You will leave the Botanical Center full of ideas and memories of beautiful springtime plantings.
